ESCOM146	Yes	Excellent	I have found Mrs.Jayashree Naidu ma'am 's session to be the most helpful because ma'am taught those things which are actually basic hacks for excelling in a community be it scientific or non scientific. Ma'am has basically taught us soft skills and hard skills which are equally required for a person to be successful.	Sorry, I cannot think of any such session which was not helpful to me. If it is made compulsory then I'd say the first session where ppt and Google drive were discussed, it was a known topic to me, so i a bit less helpful to me. But I'm sure the session was necessary to begin with the workshop.	Yes	The organizing team has done an wonderful job.
