- a. Provision of consultancy on the campus development of DBFDS and DSTSMCOPS.
- b. Exchange of information on research, teaching, learning materials and other literature relevant to their educational and research programmes.
- c. Organizing the seminars, conferences, workshops and short term continuing education programs jointly, on the topics of mutual interest.
- d. Jointly proposing to various funding agencies and engaging in sponsored research or training programs.
- e. Exchange of students at undergraduate, post-graduate and doctoral levels for limited periods of time for the purpose of education and / or research.

DBFDS and DSTSMCOPS agree that the following technical descriptions will guide each proposed activity identified and agreed upon by the two institutions.

**B. Joint sponsored Research, Development and Consulting:**

1. DBFDS and DSTSMCOPS agree to investigate ways of identifying and inviting faculty members from the other institutions to participate in ongoing research and development programmes of mutual interest. It is anticipated that the terms and conditions for such participation would be worked out on mutual agreement between the faculty members and the institution extending such invitation.
2. Further DBFDS and DSTSMCOPS agree to jointly identify and pursue opportunities for formulation and submission of proposals of new research projects and training programmes for possible funding by external agencies, if needed. The terms and conditions for such joint research would be worked out between the concerned investigators and the funding agency.

**C. Exchange of Faculty:**

DBFDS and DSTSMCOPS agree to explore ways of encouraging collaboration between faculty from the two institutions. Specifically the two institutions would encourage members of their faculty to undertake short visits or take up fixed term assignment as visiting faculty.

**D. Student Exchange:**

DBFDS and DSTSMCOPS agree to discuss the means for enabling the exchange of students at undergraduate, post-graduate and doctoral level between the two institutions. Each exchange would be by mutual agreement and in accordance with the regulations of the partner institutions.

### Memorandum of Understanding for Academic Cooperation

between

**D. B. F. Dayanand College of Arts and Science, Solapur.**

and

**D.S.T.S. Mandal's College of Pharmacy, Solapur, Maharashtra**

D. B. F. Dayanand College of Arts and Science, Solapur (here afterwards DBFDS) and D.S.T.S. Mandal's College of Pharmacy, Solapur (here afterwards DSTSMCOPS), the two parties wish to initiate collaboration in different disciplines through different programmes.

DBFDS and DSTSMCOPS recognize their strengths in research and education in the disciplines of science, education and social sciences and their mutual interest in engaging themselves in academic cooperation.

Therefore DBFDS and DSTSMCOPS agree to establish a programme for academic cooperation in the areas of mutual interest and in accordance with the terms and conditions set forth in this memorandum of understanding (MoU)

#### A. Objectives:

The goal of this cooperation is to foster collaboration, provide opportunities for global experience and to facilitate advancement of knowledge on the bases of reciprocity, best efforts, mutual benefits and frequent interactions. DBFDS and DSTSMCOPS agree to explore the possibilities of engaging in the following modes of collaboration.

of this MoU may be amended by mutual written agreement prior to the date of review. Any extension may terminate the MoU by giving written notice to the other Institution six months in advance. Once terminated, neither DBFDS nor DSTSMCOPS will be responsible for any losses, financial or otherwise. However DBFDS and DSTSMCOPS will ensure that all activities in progress are allowed to complete successfully.

**J. Arbitration Clause:**

Should there be a dispute relating to any aspect of academic cooperation, Principal of DBFDS and Principal of DSTSMCOPS will jointly resolve the dispute in a spirit of independence, mutual respect and shared responsibility.

### Article 3. Exchange of Information

- 3.1 The term "information" includes scientific or technical data, results and/or methods of investigation, and other information intended to be provided, exchanged, or arising under project descriptions entered into pursuant to this MoU.
- 3.2 The parties support the widest possible dissemination of information. Each party in joint projects shall be given the right to use, disclose, publish or disseminate such information for any and all purposes.

### Article 4. General Provisions

- 4.1 It is understood that the First party and the Second party subscribe to the principle of equal opportunity and do not discriminate on the basis of race, sex, age, caste or religion. Both the Institutions shall abide by these principles in the administration of this agreement and neither party shall impose criteria for exchange of scholars or students, which violate principles of non-discrimination.
- 4.2 Both parties understand that all financial agreements will have to be negotiated separately and will depend on the availability of funds.
- 4.3 Both parties acknowledge that exchange of students from one party to the other shall be subject to the availability of funds and shall comply with the regulations and policies of the First party and the Second party.
- 4.4 Any research publications arising will be jointly published in accordance with the provisions laid out in Item 3.2.1C of the Guidelines for the students to conduct research for their degree programme as trainees at ICAR institutions as notified vide Letter No. 2-8/2012-HRD dated 25th April, 2014 or revised guidelines, if any, as may be issued from time to time.
- 4.5 A copy of the thesis/dissertation will be submitted to the First Party after the award of the degree by the Second party.
- 4.6 All questions related to this MoU arising during its term will be settled by the parties by mutual agreement. Disagreements at the operating level shall be forwarded to respective higher officials for appropriate resolution failing which an arbitrator of mutual acceptance may be identified for the settlement of dispute, if any.
- 4.7 All questions not foreseen related to this MoU will be handled by the parties by mutual agreement.
- 4.8 Nothing in this MoU is intended to affect other cooperation or collaborations between the parties.

### Article 5. Intellectual Property Rights

- 5.1 The Second party will be expected to ensure protection of the Intellectual Property Rights generated or likely to be generated during the student's research work. The ICAR as the first applicant (for its institute) and the Second party shall be the joint applicants for IPRs and the students and involved scientific staff shall be included as the inventor/breeder/author. The 'ICAR Guidelines for Intellectual Property Management and Technology Transfer/Commercialization' as amended from time to time shall be the reference for exploitation of the generated intellectual property, whose management and benefits sharing shall be mutually decided in each case.

The parties, having discussed fields of common research interests and allied activities between the two institutions, have decided to enter into long-term collaboration for promotion of students' training and quality postgraduate research in cutting edge areas in accordance with the provisions contained in the Guidelines issued *vide* Letter No. 2-8/2012- HRD dated 11<sup>th</sup> December, 2012 or as revised from time to time.

WHEREAS the "First Party" is involved in the studies on Pomegranate research in the areas of pomegranate research in the disciplines of Agricultural Process Engineering, Post-Harvest Technology, Horticulture, Plant Pathology, Soil Science, Soil and Water Conservation Engineering etc. AND WHEREAS the "Second Party", established *vide* F. No. PEC-2294/ (6248) TE-1 dated 12/06/1994 by Govt. of Maharashtra and All India Council for Technical Education, New Delhi *vide* F.MS-19/B-III/RC(BB)/91/29279 dated 31/03/1994 and is involved in education and research in Pharmaceutical Sciences.

AND WHEREAS it has been considered expedient to agree in writing to participate jointly in the projects requiring expertise and logistics from both the parties.

### Article 1. Scope

- 1.1 The Second party will recognize the First party as an Institute for conducting research related to the thesis requirement of the research students for **Undergraduate / Postgraduate / Doctoral Programmes in Pharmacy**. The Second party will recognize Scientists of the ICAR Institute as recommended by its Director in accordance with the University rules and regulations for guiding students working for the said degree.
- 1.2 Operational details of research effort and collaboration will be made in common research programmes and/or projects restricted to specific mandated domain within the approved disciplines/divisions. The objective(s) for research work for a student coming from a Second party outside NARS should be exclusively different as far as possible.
- 1.3 Research instrumentation facility and library facilities available with the First party and the Second party will be made available to the faculty and research scholars. However, the costs of specific consumables will be borne by the respective organizations.
- 1.4 There shall be an exchange of students for academic, research and training purposes. Accommodation in the Hostel shall be arranged, wherever possible, as per extant rates. The duration of exchange visits will be determined by mutual consent between both the parties.

### Article 2. Management

- 2.1 Director of the First party and the Head of the Institution of the Second party will be responsible to work out operational details of co-operation between the two organizations and ensure proper and effective implementation of this MoU.
- 2.2 The Advisory Committee will meet at least once in a year alternatively in the institutions of the First party and the Second party to review the activities. This meeting shall include presentation on the academic and research activities, which should be open to the students, faculty and scientists.

## Article 6. Admission and Fees

- 6.1 All those who wish to register as trainees or for **Undergraduate / Postgraduate / Doctoral Programmes in Pharmacy for 4 – 6 month** under this MoU must apply for admission at the Second party. The allocation of Major Guide/Advisor would be finalized before the registration and will be governed by the provisions laid out in Items 3.2.1A and 3.2.2A of the Guidelines for the students to conduct research for their degree programmes as trainees at ICAR institutions as notified *vide* Letter No.2-8/2012-HRD dated 11th December, 2012 or revised Guidelines, if any, as may be issued from time to time, for the students from within NARS and outside NARS, respectively.
- 6.2 Admission of the students and the award of degrees for different programmes will be the responsibility of the Second party as per the rules and regulations.
- 6.3 Allotment of the students at the First party will be done by the approval of Director of the First party and Head of the Institution of the Second party.
- 6.4 The First party would have the right to screen the student's eligibility for admission based on their academic period.
- 6.5 The PME Cell of the First party in consultation with the representative of the Second party shall decide the location and sharing quantum of research work.
- 6.6 The number of student(s) at any particular time will be subject to the availability of research facilities and scientists' time to guide thesis research at the First party institution.
- 6.7 Any student(s) admitted to the First party for training/postgraduate research, if found violating the rules and regulations laid down by the First party or indulge in such activities that amount to tarnishing the image of the Institute, or cause damage to the property, the registration of such student(s) would be summarily terminated. The Second party will not complete the formalities of issuing the certificates to such students until they compensate the losses to the First party.
- 6.8 Fees will be charged from the students by the First party as per Guidelines for the students to conduct research for their degree programmes as trainees at ICAR institutions *vide* Letter No. 2-8/2012-HRD dated 25th April, 2014 or revised Guidelines, if any, as may be issued from time to time. No fee may be charged by the First party from the students registered with AU/DU within NARS. However a student registered with a Second party, outside NARS, will deposit fee of Rs. 10,000/- for training duration of 3 months (not leading to a degree/dissertation) and Rs. 30,000/- per semester (six months) for training, research, dissertation exceeding three months. Any change in fee structure by ICAR will be applicable from the date of revision and shall be charged by the First party.

## Article 7. Entry into effect, modification and termination

- 7.1. This MoU shall become effective on the date it is signed by the parties and shall be valid for three years extendable up to five years. Both parties shall review the status of the MoU at the end of each three/five year period to determine any modification, whenever necessary. The period of validity of this MoU may be extended by mutual consent up to five years. This MoU may be amended by mutual written agreement and may be terminated at any time by either party upon written notification signed by the competent authority of the party initiating termination. Such notification must be given to the other party at least six months in advance from the effective date of termination.

## 1. PURPOSE OF THE MOU:

Whereas two organizations, Aadhaar Life Sciences Private Limited having its registered office at 'Prasad', 7/1, Vardhman Nagar, Rupabhavani Road, Bhavani Peth, Solapur – 413002, MH, India [hereinafter referred to as 'COMPANY'] and D.S.T.S Mandal's College of Pharmacy, its registered office at Jule Solapur- 1, Vijapur Road, Solapur– 413004, MH, India (hereinafter referred to as 'INSTITUTE') have mutual interest in collaborative research having application in the field of Pharmaceuticals on regular basis in an ongoing manner.

A. The parties wish to record in this memorandum of understanding (MOU) the basis and principles concerning research work conducted jointly by Aadhaar Life Sciences Private Limited and D.S.T.S Mandal's College of Pharmacy, Solapur.

B. This MOU is not intended to be a binding agreement between the parties hereto with respect to the subject matter hereof. A binding agreement will not occur unless and until the parties have negotiated, approved, executed and delivered an agreement. Until the execution and delivery of the agreement, either party shall have the absolute right to terminate all negotiations for any reason without liability hereof.

The COMPANY essentially being a commercial organization is interested in applied research resulting in product/process development for commercial exploitation. Another aim of all such activities is to generate inventions and know-how in various spheres which can be collectively termed as intellectual property or inventions, a natural consequence of which will result in well-defined patents, for protecting the same from all extraneous exploitations, except as provided for under this MOU.

Both the organizations agree to the following guidelines for collaborative efforts for projects outlined in Annexure A.

## 2. CONTACTS:

The official contacts relative to this Memorandum of Understanding [MOU] are as listed below; however, contact between individual scientists and managers in both of organizations is encouraged as this will facilitate increasing collaboration.

### 8.1.2. NEW INTELLECTUAL PROPERTY:

In instances where new intellectual property is anticipated as a result of the project (joint research projects) COMPANY will take all responsibility regarding filing, and processing of collaborative intellectual property (which includes all expenses for any pre grant or post or post grant oppositions). This intellectual property shall be jointly held and patented with the COMPANY as an applicant/assignee and researchers/ institute named as inventors. Any further commercialization should be addressed in that specific contract before commencement of any research activities.

### 9. JOINT PROPOSALS FOR THIRD PARTY PROJECTS:

- 9.1. As mutually beneficial opportunity presents, COMPANY and INSTITUTE may elect to submit joint proposals to other (third party) clients for research or development of specific part of project or develop products according to their need for their commercial use. All such use of above mentioned joint project could be conducted. The joint working and division of responsibilities and sharing or rewards will be mutually finalized for each such project based upon individual contribution. Based upon the nature and content of the third party project, any one out of the company and institute shall become the principle service provider and the other subsidiary provider to the third party. In general for all financial arrangements & agreements made with third parties for generating technology resulting from projects basically initiated by the institute & commercialized, the share of the benefits between COMPANY & INSTITUTE will be as mutually agreed at the time of the agreement.
- 9.2. The equipment and instrument purchased from the finance generated from the third party shall be the sole property of the INSTITUTE.

### 10. CONFIDENTIALITY:

#### 10.1. PROPRIETARY BUSINESS INFORMATION:

Each organization acknowledges and agrees that its fellow collaborator is engaged in business, research activities in which it is or may be crucial to develop and retain proprietary, trade secrets, and other confidential information for the benefit of the both organization (collectively, "Proprietary Information"). Accordingly, no organization shall at any time during or after the termination of this MOU, either directly or indirectly-

- 10.1.1. Divulge or convey proprietary information to any entity or individual, except as may be expressly authorized in writing by its fellow organization during or following the completion of the contractual relationship; or
- 10.1.2. Use any proprietary information for the organization's own benefit or the benefit of any entity or individual other than the organization owning the proprietary information. The proprietary information to which the collaborating organization may have access may include, but is not limited to, matters of a technical or intellectual nature such as inventions, designs, drawings, models, plans, improvements, processes of discovery, techniques, methods, ideas, discoveries, developments, know-how, formulae, compounds, compositions, specifications, specialized knowledge. The owner of such proprietary information shall mark all documents, it considers covered by the clause as confidential before providing them to its collaborator. Regardless of whether the information supplied

7.1. The cost and expenses associated with each project shall be decided and addressed separately in a commercial agreement and may vary with nature of each project. The commercial terms agreed in the commercial agreement shall be acceptable and binding on both the parties for the project cost purpose.

7.2. The company shall reimburse the following expenses or provide in kind the following:

7.2.1. All the raw materials, excipients, and other consumables which may be required for executing the projects, charges incurred for tests undertaken at other laboratories if any.

7.2.2. Travelling allowance, dining allowance, hotel allowance for the travel of any team person regarding development of above mentioned projects. Reimbursement should be made within 30 days of receipt of said expense statement / claim by a member.

7.2.3. Charges and fees for any third person / organization consulted for the development of above mentioned projects if mutually considered necessary.

7.3. The COMPANY will incur all expenses and fees related to filing of patents undertaking searches and any litigation with respect to the filed patents.

## 8. OWNERSHIP:

Any intellectual property developed through this collaboration shall be assigned to the COMPANY. The research workers and through them the institution shall continue to be named as the inventors. The inventors may include researchers who are employees of the COMPANY in case they have contributed in developing the intellectual property. The detailed rights and conditions related to exercise of intellectual property ownership are further clarified below:

### 8.1. INTELLECTUAL PROPERTY:

In the course of the conduct of the research or services required under contracts that may be developed, prior protected/non protected intellectual property (patents) of INSTITUTE may be utilized, new intellectual property (patents) may be developed, and opportunity for synergic benefits from the combining of intellectual property envisioned. The following rights and responsibilities will pertain:

#### 8.1.1. PRIOR INTELLECTUAL PROPERTY:

Intellectual property (patents) of INSTITUTE, protected or unprotected, that exists prior to the beginning of the joint effort that is utilized or disclosed as a part of the design or implementation of both these projects will remain the sole property of the INSTITUTE. Protection of prior intellectual property of INSTITUTE, which is being disclosed to COMPANY, will also become the responsibility of the COMPANY. The partner organization will maintain confidentiality of all such property and shall not use the information for any purpose other than those authorized in writing by the owner of intellectual property. However, wherever the company's services are employed for patent filing, sealing, protection of the know-how developed, INSTITUTE will automatically assign the know-how to company on a non-exclusive basis, the financial reimbursement for this assignment being the cost of the company assistance as above and the financial charges as mentioned in clause no 7 (finances). Additionally a lump sum technology transfer charge to INSTITUTE may be considered on a case basis.
