- It was a really wonderful experience with Vishakha Ma'am for me. The level of confidence was is hugely increased. It was good experience from the 1st session to the last. The way how she explains was very easy. The only thing is that there was lack of time, I was expecting the more time we I should interact with her.

Thanks for arranging such a inspirational & motivative session of 'Access To Employability' for us.

- Hope they will again conduct such sessions for us and we should have more interaction with her.
