Topic :- "Design your life"

Class :- T-Y F final B.Pharm.

Time :- 4.00 pm to 6.00 pm

It was a great opportunity to connect & interact with students (youth) on "Design your life".

But it was a great feeling to address on the platform during week celebration. In the name of late V.G. Shinde. He was a role model to me and youth. I have learned a lot of things from him.

I wish for all the best for students as well as the college to rise to newer heights.

I humbly admit I will be volunteer to my services to the college in near future.

but they have to learn and make notes.
Just listening won't make them learn.
