To,
D.S.T.S. Mandal's College Of Pharmacy,
Solapur,

Dear sirs,

"Multiplying Cyber Literacy"

We, IT HUB from Nagpur, already, had more than 350 plus Cyber Security Workshops all over India, including Educational Institutions, Judiciaries, Corporates and Women's Oriented Organisations.

Our Training Chief, Mr. Sunil Sadasivan has 25 years in IT, Administration, Training with various Institutions (Govt/Private) and Corporates and he is into the field of "Cyber Security and Training". He also has been associated with Prasar Bharati's Doordarshan as a "Guest Speaker" for the topic "Stay Safe in CyberSpace" and as a "Resource Person on Cyber Security" with YASHADA (Yashwantrao Chavan Academy of Development Administration). ****Detail profile attached.**

He is scheduled to visit Solapur to have a "Cyber Security Workshop " for the Solapur Police Officers at SP Office on 10th of March'2022.

He would be there at Solapur on 11th March'2022 also. He would be happier to visit your institution and present a Cyber Security Training session to the Staff/Students. We are sure, a Training session from an experienced expert like him would give immense Knowledge Assets to your institution.

If you are interested in having his training at your place on 11th of March, please reply to this mail or Call or send Whatsapp at +91 9372555 991, at the earliest.

The Topics in the session are:

1 : Crimes when Mobile as a Device

Mobile Crimes– Threats in Free Mobile Apps & their Precautions –Prevaling Crimes by/via Bluetooth/Wifi.

2 : Email Frauds with Safety Measures

Email Security – Confidentiality in Email Management – Role of Emails in Financial Crimes – Fake Mails Identification and Preventions

3 : Social Media Crimes and Precautions

How Criminal takes support of New Features for Committing Crimes – Most Prevailing Social Media Vs Most Prevailing Crimes, Settings required for Secured use.

Solapur University, Solapur Sponsored</p> <p>TWO DAYS' NATIONAL WORKSHOP on Computer Aided Drug Design</p> <p>21st & 22nd January, 2022</p>	<p>ABOUT THE WORKSHOP</p> <p>Drug discovery & development is a very time & resource consuming process. It is not serendipity or a trial-and-error process anymore. Computer-Aided Drug Design (CADD) plays an important role here. The offered workshop will comprise of a comprehensive introduction to the different CADD strategies and approaches from theoretical aspects. The delivered material will make the workshop attendees familiar with the state-of-the art approaches of CADD currently used in both academia and pharmaceutical industry. CADD is being utilized to expedite & facilitate hit identification, hit to lead selection, optimize the ADME/T profile & address safety issues. Delegates will be also familiar with the CADD contribution in the lead identification and lead optimization steps of the drug discovery and development process. The experts from academia and industry are the learned resource persons for the workshop.</p>	<p>PATRON</p> <p>Shri. Rajshekhher V.
