**POLICY ON PERFORMANCE APPRAISAL**

The policy provides information on the policy on performance appraisal of teaching and non-teaching staff working at D. S. T. S. Mandal's College of Pharmacy, Solapur. The performance system enables the personnel to evaluate their own performances in the period of assessment. The self evaluation helps the individual to bring necessary modifications in their efforts.

**Policy statement:**

The college has adopted following effective performance appraisal system for optimizing the contribution of individual faculty to institutional performance:

1. The Faculty Performance Appraisal form prescribed by Govt. of Maharashtra (DTE) is adopted as such by the college.
2. The faculty fills the self appraisal details of academic and extracurricular performance including the assigned duties and their accomplishments.
3. The filled forms are collected from the staff and processed by reviewing authorities.
4. The self appraisal form helps them for self exploration to recognise their own accomplishments and areas of scope for improvements so as to win over their weaknesses.
5. Thus helping the employee to fortify their strengths weaken their weaknesses for personal as well as institutional growth to offer best of the services to the students.

### **About TISS:**

The Tata Institute of Social Sciences (TISS) was established in 1936, as the Sir Dorabji Tata Graduate School of Social Work. At the height of economic depression in the 1930s, the trustees of the Sir Dorabji Tata Trust willed to create an institution to train human service professionals to address acute poverty, destitution, unemployment, and other social and economic problems.

The Trust invited Prof. Clifford Manshardt of Chicago University to establish the School of Social Work. In the subsequent decades, TISS influenced the direction of social work education and social research in India and Asia. In 1944, the Sir Dorabji Tata Graduate School of Social Work was renamed as the Tata Institute of Social Sciences. In 1964, the University Grants Commission (UGC) and the Government of India recognised the institute as a Deemed University.

TISS Tuljapur Campus was established following a review undertaken by the Institute in its Golden Jubilee year 1987. The campus was established with the goals of promoting initiatives for sustainable, eco-friendly and equitable socio-economic development of rural communities, with a focus on gender and social justice. Through its programs, the campus seeks to contribute to the revival of the rural Economy, Society and polity by promoting alternatives in development. In order to achieve this, it has evolved a four-dimensional program comprising teaching, training, field action and research & documentation.

### **About Library:**

TISS Tuljapur Campus Library supports and facilitates teaching, learning & research programs of the institute acts as a catalyst in accomplishing institute's mission become one of the pioneer centers with the state of

the art research and best quality education in the field of Rural Development. Building excellent collection in the area of Social Sciences and Rural Development is the main goal of the library. It houses print as well as electronic resources based on current needs of the users. The collection of the library includes significant project reports, thesis & dissertations & back volumes and famous documentary films and e-books in the form of CD/DVDs. It subscribes to various national & international journals & magazines (print) of repute in the field of Social Sciences and allied subjects.

The collection of the library is strengthened by enabling access to the prominent electronic databases and e-books in the field of Social Sciences and allied subjects to further the teaching, learning and research programmes of the institute. It provides seamless discovery and access to these scholarly resources, and assists faculty, students, and staff with professional support to find, evaluate, manage, and use information resources.

### **About the Workshop:**

The impact of ICT on library and Information activities is enormous. The application of computer and communication technologies for all the library processes has given new dimension and direction to the profession. Today patron's demand instant information online, as a result library's need to reinvent their services by creating world class infrastructure. This need is felt more than ever since the dawn of the 21<sup>st</sup> Century. Therefore, there is an urgent need for upgrading library infrastructure in tune with the changing information environment to cater to the demands of the user community.

The main aim of this workshop is to develop an expertise by providing a thorough training and hands-on experience using open source Wix Website Builder. It is intended to equip participants with new skills and

techniques for developing their own library website by means of intensive hands-on training sessions by experts in the field.

### **Learning Objectives:**

There will be lectures coupled with intensive hands on training sessions. Thus it will provide both theoretical and practical skill to the participants to empower them in building their Library website successfully on Wix.

Thus, the workshop will be intended to:

- Provide hands-on training to library professionals to design and develop their own library website Using Wix Website Builder
- Create Awareness and Promote Use of Library Websites to Enhance the Image of the Library

### **Areas Covered:**

The following areas will be covered in the workshop and exclusive hands on practical training (One to One dedicated computer system);

- Promotion of Library Services Through Websites
- Design and Development of Integrated Library Website Using Wix Website Builder

### **Pedagogy:**

The workshop will be conducted at the Tata Institute of Social Sciences, Tuljapur Campus which is well equipped lecture rooms and computer lab. The workshop comprises of lectures, demonstration and hands on practicals on Wix website builder. TISS, Tuljapur campus has excellent computer facilities. The course material and application software will be distributed to the participants on CDs/Memory sticks to enable them to install, work and make use of these software in their respective organisations.
