About VTU

Visvesvaraya Technological University (VTU) named after Bharat Ratna Dr. Sir M. Visvesvaraya established on 1st April 1998, as per the VTU Act 1994 of the Government of Karnataka. University has been established by the Government of Karnataka in order to promote planned and sustainable development of technical education and has its Head Office located in Belagavi in the state of Karnataka. Reckoning the fact that, University is a seat of confluence of knowledge and as a technological University, Visvesvaraya Technological University does not restrict itself only to curricular activities but also emphasizes on the overall growth of knowledge in society and hence its campus in Belagavi is named aptly as "Jnana Sangama". The University has jurisdiction over the whole state of Karnataka. VTU has established four regional centers at Bengaluru, Mysuru, Kalaburagi and Belagavi for administrative convenience. VTU is one of the prestigious and largest technological Universities in the India having one Constituent College, 220 Engineering colleges and 20 Autonomous Colleges.

VTU is imparting technical education to more than a lakh students under its 35 Undergraduate & 94 Postgraduate Programs. VTU is offering Doctoral programs in 865 departments in various affiliated Colleges which have been recognized as research centers. Around 5000 Research Scholars are perusing for Doctoral and M.Sc. (Engineering) By Research programmes. VTU has established full-pledged Centers for Post Graduate Studies at Muddenahalli, Kalaburagi, Belagavi and Mysuru.

About AICTE, New Delhi

All India Council for Technical Education (AICTE) was set up in November 1945 as a national-level apex advisory body to conduct a survey on the facilities available for technical education and to promote development in the country in a coordinated and integrated manner. And to ensure the same, as stipulated in the National Policy of Education (1986), AICTE was vested with:

- Statutory authority for planning, formulation, and maintenance of norms & standards
- Quality assurance through accreditation
- Funding in priority areas, monitoring, and evaluation
- Maintaining parity of certification & awards.

About the SGBCLIC, Belagavi

Sri. S. G. Balekundri Central Library and Information Center (SGBCLIC) established in the year 2000. Since its inception, the Library has supporting the teaching, learning, and research activities by continuously developing and providing access to core information resources required by the academic fraternity of VTU. Its primary mission is to fulfill its stakeholders' present and anticipated scientific and technical information requirements. The SGBCLIC plays a significant role in creating and disseminating knowledge resources to support the University's teaching, learning, research, and extension programs. In addition to this, the Library provided a Wi-Fi and off-campus access facility and initiated the Institutional Repository for Gray Literature building. It also regularly organizes orientation programs, conferences, and seminars to enhance the usage of its resources. It subscribes to several electronic databases, eBooks, and full-text journal access through its dream project VTU Consortium.

PROGRAMME OBJECTIVES:

All India Council for Technical Education (AICTE) sponsored Five Day's Short Term Training Program (STTP) on "Proficiency Skills for Library Professionals under the National Education Policy (NEP)" is being organized by Visvesvaraya Technological University (VTU) Belagavi from 9th to 13th May 2022 for Library professionals of AICTE approved institutions in India through Online.

The Librarians under NEP are expected to have a skilled service attitude. The Libraries need to act as education service center for print, digital, and personnel resources. Teachers and Librarians need to work collectively to make Libraries a positive working environment, and create opportunities to serve the student community.

The STTP's main goal is to prepare LIS professionals to meet the challenges of the twenty-first century by providing them with the dispositions that form the core of an individual's personality and character, a motivated workforce, and opportunities to serve the user community in accordance with NEP's goals with the following sub theme:

- Library Automation and Digital Library Technologies.
- Scientometrics and Library Data Analytics.
- Web Technologies for Libraries & Database Management System.
- E-Resource Management and E-Publishing.
- Research Integrity and Scholarly Publishing.
- Intellectual Property Management and Patenting.
