MINORITY CELL

Minority cell of D.S.T.S. Mandal's College of Pharmacy, Solapur was established with the purpose of empowering the students belonging to minority communities in the institute. The Cell focuses on addressing the needs and concerns of minority students, promoting diversity, and creating a supportive environment for minority communities on campus. The goal of Minority Cell is to provide assistance and resources to minority students in order to grow academically, socially, and professionally. The Cell was established to assist minority students in achieving holistic development.

Objectives:

- To act in order to achieve the objectives and targets set by the Government of India and the UGC.
- To provide minority students with equal educational opportunities.
- To disseminate State Government and UGC decisions on various scholarship programs.
- To enable financial assistance from government agencies and other sources for such students.
- To publicize minority students about the various scholarship programs offered by the State and Central Government and the non-Governmental organizations.
- To encourage such students to enroll in career orientation programs that would empower and equip them with the skills needed.

Meetings:

- Once in a year
